Sunrise Gentle Stretch Yoga: A 45 minute early morning class that warms the body in a slow, conscious way to move into the day feeling release & ready! This class is for all levels, you can go to a depth of stretch that is right for you in the moment.

Tabata: A series of exercises done for 20 seconds followed by 10 seconds of rest and then repeated for a total of 8 rounds! This format is proven to increase your VO2 max and get results quick!

TRX: TRX is suspension training using your own body weight. You are in control of how difficult you want to make each exercise. You will build power, strength, flexibility, balance and more!

Vinyasa Flow: A moderately challenging yoga class. Vinyasa means flowing with the breath, so in this class you will move from posture to posture building internal heat with the inhale and exhale. Lightness!

Yoga for Grunts: This "extreme stretching class," as the group calls it, is a fun, high energy class that will work on your flexibility, balance and sense of humor!

Yoga for Strength & Mobility: Enjoy a practice focused on infusing strength and mobility into yoga asana. This class will build in pace, warming up the body thoughtfully and gradually working to a sweat. Options and modifications are always given and students are encouraged to work at their level.

Zumba@: This is one big cardio party! This class is filled with exciting Latin and International dance moves like Salsa, Merengue, Cumbia, Reggaeton, Mambo and more! Get down and dance while you burn calories.

Group X Rules...it really does, but these are THE Rules:

Classes and times are subject to change. For safety reasons, there is no admittance 10 min. after class begins. Reservations are necessary for the Spin and TRX classes and can be made up to one week before next class. Reservations on Spin Bikes and TRX's will be held for 5 min. after class begins. If you are new to a class, please make the instructor aware.
